GETTING AROUND

Must-See Attractions & Transportation

When staying at the St Nicolas Bay Resort Hotel & Villas, guests can enjoy the picturesque fishing port of Aghios Nikolaos and explore the trendy shops, boutiques, cafes, bars and restaurants the town has to offer. Our strategic location also serves as the ideal “home-base” for your island excursions. Some of the most popular attractions and sites to visit on Crete are listed in our “Top 10” list.

TOP 10 PLACES TO VISIT NEARBY

1. Archaeological Museum of Aghios Nikolaos

Beautiful antiquities from the Minoan Civilization and the Palace of Zarkos in Eastern Crete.

2. Byzantine Church of Aghios Nikolaos

The 7th century Byzantine Church is the oldest in Crete, located next to the hotel entrance.

3. Village of Kritsa & Panagia Kera Byzantine Church

An authentic Cretan village 10 km from Aghios Nikolaos. Located 1km from the village is the church of the Virgin Mary, famous for its unique architecture.

4. The Beaches of Elafonissos and Falasserna

Both awarded by the European Union to be among the 100 best beaches in the world.

5. The Plateau of Lassithi

SUSTAINABILITY

We continuously support sustainable and eco-friendly initiatives.

We recognize that the hospitality industry inevitably impacts the environment, and we are committed to minimizing our environmental impact as much as possible. We are proud to announce that all future plans for the development of the hotel are based on the principles of sustainable and green development.

BUILT ENVIRONMENT

The hotel complex has been built using **only locally sourced materials**.

The authentic architectural style of the entire development is defined by stylish **low-rise buildings** that **seamlessly integrate with the natural surroundings** to celebrate elements of the traditional Cretan landscape.

Lush gardens filled with native plants, fruit bearing trees, and our olive tree forest are cared for daily by our staff.

GOING LOCAL

To reduce our environmental footprint and support our local community, we work **exclusively with local companies and farms**.

All food served in the hotel is sourced from local suppliers based on **seasonal harvesting**.

We also have our own **in-house organic garden** where we grow herbs to be used in the restaurants and bars

ENERGY EFFICIENCY

We are excited to share that **15%** of our electricity needs are met through **solar energy**.

In the coming years we will continue to adopt the use of **renewable energy sources** in our premises.

We have also installed **in-room VRV-inverter air-conditioner systems** for optimum energy-savings.

OCCUPANT HEALTH & WELLBEING

Our cleaning crew uses **strictly non-harmful chemicals by ECOLAB** to clean and sanitize all spaces throughout the hotel complex.

CIRCULAR ECONOMY

We have partnered with an external provider to **recycle used kitchen oils to produce soap**.

GREEN KEY AWARD

The Green Key is an **eco-label** that represents a **commitment by businesses** that their premises **adhere to the strict criteria** set by the Foundation for Environmental Education.

BLUE FLAG CERTIFICATION

This achievement is a result of our hard work to maintain the **high quality and cleanliness** of the **surrounding beach and seawater**.
